The Legacy Society

Through a bequest or other planned gift, you can help secure the future of the programs of the Cincinnati Observatory Center. The Legacy Society recognizes donors who have made provision for the Observatory through estate planning instruments. If you are interested in receiving information on planned giving and The Legacy Society, please call the Observatory staff at 513-321-5186.

Contributors with cumulative annual contributions of \$500 or more, join other generous members of the Ormsby MacKnight Mitchel Society to help further his vision of science exploration and enlightenment.
